

3M PELTOR CH-3 Listen only ATEX Headset

The 3M PELTOR CH-3 Listen only ATEX Headset helps protect against harmful noise, whilst allowing connection to an ATEX communications device for listen-only functionality.

Connects to ATEX two-way radios via RSMs with a 3.5mm or 2.5mm cable (cables sold separately).

The headsets connect to a communications device via the following cables.

FLX2-203

3M Peltor FLX2 Cable, 2.5mm Mono, ATEX

FLX2-205

3M Peltor FLX2 Cable, 3.5mm Mono, ATEX

To use with the Motorola DP4401Ex or DP4801Ex ATEX radios the following remote speaker microphones feature a 3.5mm jack.

PMMN4094A

IMPRES ATEX Noise Cancelling RSM

PMMN4110

IMPRES ATEX Omni Directional RSM
